Any proposed changes to the study must be submitted to the REB for approval prior to implementation. A renewal report must be submitted next year prior to the expiry of this approval if your study still requires ethics approval. If you do not renew on or before the renewal expiry date, you will have to re-submit an ethics application.

Approval by the Research Ethics Board does not encompass authorization to access the staff, students, facilities or resources of local institutions for the purposes of the research.

Approval by the Research Ethics Board does not encompass authorization to recruit and/or interact with human participants at this time. Researchers still require operational approval as applicable (e.g., AHS, Covenant Health, ECSD, etc.), and where in-person interactions are proposed, institutional and operational requirements outlined in the [Resumption of Human Participant Research - June 24, 2020](#), must be met.

Sincerely,

Carol Boliek, Ph.D.
Associate Chair, Research Ethics Board 2
